What does your climate protection contribution accomplish?

With your climate protection contribution with the amount of 10.00 Euro, you are supporting the following projects, among others:

Efficient stove systems for families in Nigeria

Your climate protection contribution finances one Wonderbox, in which the food can be prepared without adding more energy.

Electricity generation from mustard seed crop residues in India

Your contribution provides an Indian family 6 months with renewable electricity.

Construction of biogas units for households in Kenya

Your climate protection contribution pays for one unit of training for builders.

atmosfair operates its projects according to the Clean Development Mechanism (CDM) outlined in the Kyoto Protocol as well as the "Gold Standard" established by international environmental organisations. Independent organisations approved by the United Nations (e.g., TÜV) audit the projects' actual CO₂ reductions.
